From Scroll to Smart
A Student's Guide to Digital Literacy

Are You Just a User?

- Endless scrolling
- Weak passwords
- Clicking unknown links
- Random posting

This is NOT digital literacy

Upgrade Yourself

GitHub — Build projects
Google Docs — Collaborate
Coding — Problem-solving
LinkedIn — Professional profile

Be More Than a User

Learn • Think • Protect • Grow

Your digital life = Your responsibility

Digital Literacy = Smart + Safe + Responsible

- Use tools effectively
- Think before clicking
- Protect identity
- Communicate professionally

Use wisely, not blindly

Think Before You Click

Don't trust unknown links
Never share OTP
Use strong passwords
Check HTTPS

One click can cost everything

Your Online Image = Your Future

- Employers check profiles
- Keep it professional
- Think before posting
- Build positive image
